A SPECIAL EVENT FOR LINDA NAGEL, WIFE OF THE LATE JERRY NAGEL – in association with Transportation Employees Welfare & Assistance Fund (founded by Jerry to help those with catastrophic illnesses)

Jerry Nagel was President and CEO of Rickmers-Linie and recipient of Breakbulk Americas Lifetime Achievement Award and GHPB Maritime Person of the Year. Jerry spent nearly 1 year in the hospital during his health battle to recover from a double lung transplant. The medical bills are enormous. The proceeds will be used to help defer some of their personal expenses. Please come celebrate Jerry's life by volunteering, attending, sponsoring or just donating to this worthy cause.
